

Dear Town of Cedarburg Resident:

Starting Monday, January 2, 2023, Waste Management will provide carted residential waste service for the Town of Cedarburg. Refuse will continue to be picked up weekly on your currently scheduled day of the week. We look forward to helping your community be as clean and green as possible throughout 2023 and beyond.

Making the transition from your current refuse service to Waste Management's will be simple. Here are a few things to keep in mind:

Refuse Cart

Each residence should currently have a Town of Cedarburg refuse cart. You will continue to use your ToC cart. If you do not currently have a ToC refuse cart, the Town has provided a list of these homes to WM, and WM will be delivering you a refuse cart in late December. Carts may be delivered any day during this period and will be delivered to the end of your driveway. Please use the refuse cart for acceptable residential waste materials only. Beginning January 2, 2023, WM will begin the refuse service and collect only what is in the carts. Nothing outside the carts will be collected. The weight limit for the cart is 225 pounds.

Cart Placement

All refuse carts should be placed at the roadway edge with the handles facing the house no later than 7:00 a.m. on the day of collection. Containers need to be at least 4 feet away from mailboxes, other containers and any other fixed object. If you are having problems with slopes or the wind, simply rotate the cart a quarter-turn, placing the handles toward the wind. This helps keep the lid closed and the cart upright.

Waste Management will collect your refuse each week, as indicated by the calendar on the opposite side. Holiday delays are listed below.

2023 Holiday Collection Schedule

Residential Waste collection will be delayed one day for the following holidays:

The Town of Cedarburg has contracted with Waste Management to be the single provider of residential waste services for the Town.

Beginning Monday, January 2, 2023, refuse will be collected every week. Your recycling will be serviced bi-weekly as it is now. Refer to the collection calendar on the reverse for Holiday Collection Schedule.

- Your refuse collection day WILL NOT change
- Special bulk item collections can be scheduled through WM at a 1/3 of the cost of a Town collection, please call (262)251-4000 to schedule. The cost is \$30 per item.
- Once a year the Town and WM will provide a special drop-off day at Town Hall for FREE bulk item drop offs (while space in the dumpsters allow). The date and time are TBD and will be announced via enotify.
- The Town Yard will still be open providing the same drop off services, staffing, and hours.
- Upgrades to the Town Yard security and access control system will be coming Summer 2023. This upgrade will make the resident's access to the Town Yard easier, more efficient and lessen your visits into Town Hall to gain access. Keep an eye out for information on this new system! Again, there will be no change in days/hours of Yard access in 2023.
