## Enjoy the Natural Resources As You Travel the Routes

Cedar Creek winds its way through the heart of the Town of Cedarburg. Along its meandering route are a number of canoe launches and parks. Creek access points are found at Creekside Park, Krohn Park, Cedar Creek Farms Canoe Launch, and Covered Bridge Park which is home to the last covered bridge in Wisconsin, a building that is listed on the National Register of Historic Places.

Other Town parks include Hamilton Park found in the Historic Hamilton District (listed on the National Register of Historic Places) and Pleasant Valley Nature Park, a passive area with kettles (glacial land formation), a bog, prairie and network of walking trails and boardwalk (below).
